पठन कौशल

९-९-१९ से १६-९-१९ तक कक्षा में हिंदी सप्ताह का आयोजन किया गया। इस सप्ताह छात्रों से भिन्न-भिन्न हिंदी गतिविधियाँ कराई गईं। जैसे- रचनात्मक लेखन, सोचो और बोलो, पठन कौशल और कविता गायन।

सोचो और बोलो

Educational Trip to Bal Bhawan

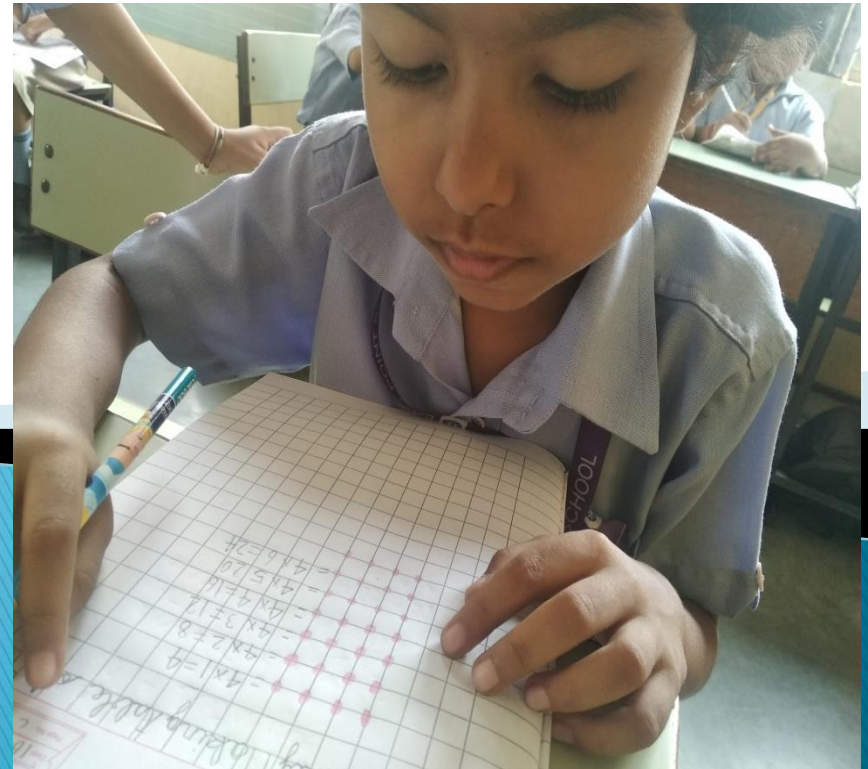

On 18th September, 2019 the students visited Bal Bhawan. The children were amazed to see toys and dolls from different countries, traditional jewellery, utensils and musical instruments, turbans from different states of India. The mirror section was a big attraction for children. The children enjoyed mini train. It was a great learning experience for the students.

Learning to Multiply

Children created an array in their notebooks to enhance the understanding of multiplication tables.

Moreover they did a craft activity which helped them to practice the tables learnt.

MATHS EXHIBITION

Maths exhibition was organized on 28.09.19 to develop reasoning, creativity, critical thinking, abstract thinking, problem solving ability and even effective communication skills amongst the children.

SWACHHHTA HI SEVA : THINK GREEN

A cleanliness drive was conducted in the class wherein students were told the importance of keeping the surroundings clean. They learnt so by cleaning their own classroom.

Learning Opposite Words

Students were given puzzles on opposites. They were asked to solve the puzzle and write the opposites on the given sheet. This activity was conducted for the clarity of the concept.
