Shape Activity - Nursery

November 2019

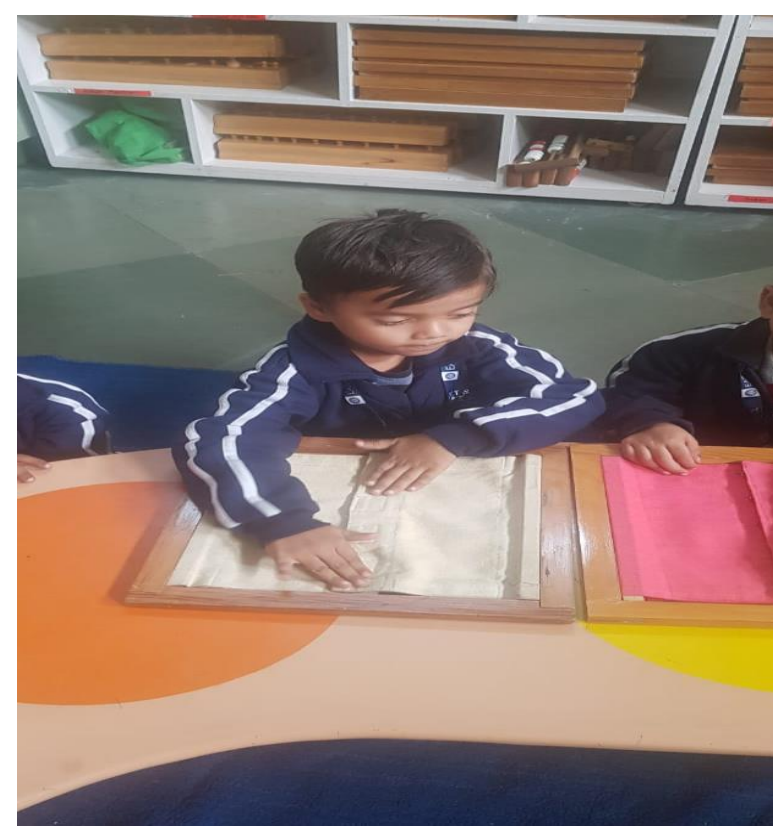

An activity done by the children of nursery for better recognition of shapes.

Children made ROCKET, HOUSE, DIYA, ROBOT, LETTER using different shapes cut-outs bringing out the best of their imagination

MONT ACTIVITY DRESSING FRAMES

The dressing frames are just one more example of how the Montessori classroom helps prepare children become independent

WHITE COLOUR DAY

The tiny tots of Nursery celebrated white colour day on 25th November 2019. All the children came dressed up in white. The kids performed the activities like hand printing, followed by a worksheet which helped them to identify and relate with the white colour objects around them.

SPORTS DAY

Sports day was celebrated with full zeal and enthusiasm. Children performed confidently. They all participated in different races, drills and also in band .They were taught the value of being healthy and the importance of sports in our life.
