BIOLOGY ACTIVITY

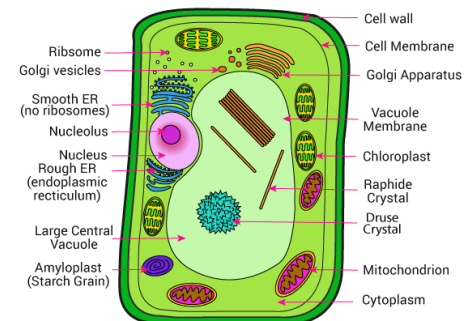

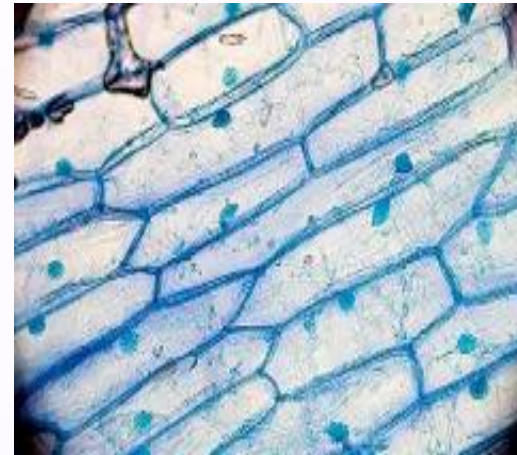

CELL

Onion Peel Activity

Activity :- To Study temporary mount onion peel cell

This is an easy and fun activity that will allow the student to learn about the cell structure. Students have the opportunity to experiment and observe the onion Cells and understand the parts of cell .

Material Required: an onion, needle, brush, forceps, watch glass, slides, cover slip, blade, blotting paper, methylene blue/safranin solution, glycerine, water and a compound microscope.

CHEMISTRY ACTIVITY

Tyndall Effect

True solution, like sugar solution, does not scatter light due to small size of particles. Suspension and colloidal solution like milk show Tyndall Effect as the particles of solution are big enough to scatter the beam of light

ENGLISH ACTIVITY

GRAPHICAL REPRESENTATION ACTIVITY

The story stands with the description of the statue of **HAPPY PRINCE**. He is decorated with infinite jewels. The eye was sapphire and his crown was stoned with a huge ruby. The people admire him very much.

CONVERSATION BETWEEN PRINCE AND SWALLOW!!
When Swallow saw what statue was dying, Swallow explained he used to live a life of pleasure. He used to look for a palace and he had to run away about anything. But after he died, people made a statue of it. Swallow said to the prince, but could not get to know what the writer who was compiling writing his play. He was very hungry and feeling cold. Now the prince said that there were some gold and sapphires and he asked the swallow to take one of his eyes which was made of sapphire and give it to the hungry writer who was feeling cold.

When the swallow was taken to the dead of the city, he saw that there was a poor boy who was feeling hungry and cold. The king said to the swallow to take his gold leaf and give it to that boy. But the extreme cold the swallow died below the statue of happy prince.

NOW! WE MEET LITTLE SWALLOW!!
He and his friend was in a rainbow but he was so kind as he was going already. At NIGHT the swallow flew to see the statue of HAPPY PRINCE when the swallow is about to swallow the prince after it is looking he looked upon and saw statue was dying.

The statue told swallow that there is a mother is not able to buy medicines for his sick child. This is despite of the fact that she is blind and 'hopeless' king said swallow to take the ruby from the crown and give it to the mother. The happy prince told him that even the swallows is gold he was feeling weak when he help others.

The Swallow wanted to go for the migration but the happy prince said that any one migration. The prince said that there get some medicines and if we cannot bring money at home, then the father would die. The prince asked swallow to take his other eye. Now, now the happy prince was not left with any eye, he asked the swallow to take a round of city.

Prince heart was broken into two when he saw Swallow was dead. God asked his angel to bring two precious things from the city and angel took away the Swallow heart and the dead body of swallow which was kept below the statue of HAPPY PRINCE.

FAIRY TALE

'The Happy Prince' is purely a fairytale. It has all the characteristics of a fairytale

- ♦ imaginary characters
- ♦ far from reality
- ♦ happy ending

CHARACTER SKETCH

Major Characters

The Happy Prince	The Swallow
------------------	-------------

Minor Characters

The Seamstress	The Little Boy	The Playwright	The Little Match-girl	The Beautiful Angel
----------------	----------------	----------------	-----------------------	---------------------

THEME

- Outward beauty is nothing. It is just a show. The real beauties are love and sacrifices.
- Love and sacrifices are two saving forces.
- God loves those who love their fellow human beings.

IMPLICATIONS

The writer wants to tell that the outward beauty does not meant a lot the real beauty is in person's heart which have the deep feelings and the ability to feel the sorrows and hardships of others just like the happy prince that he led a happy life but after his death when he saw people worries he felt them and helped them as he could do so.

THE HAPPY PRINCE

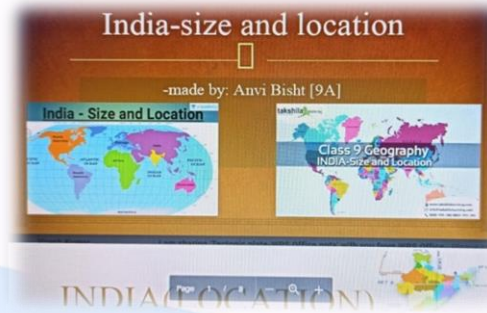

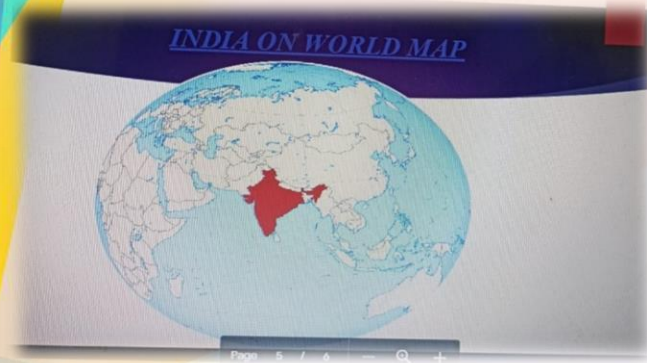

When I was alive and had human heart. Every body said me happy prince because I live and died happily. But with this lead heart also I am seeing the pain and sorrow of my people. I should take the help of this swallow to help the needy. Please swallow use my every part little by little and help every body. But the swallow who was going to migrate stop there and help him and when she had taken his precious eyes than also she stay with him and make him see the world. Than later on swallow died. The statue of prince was melted but his deader heart was not melted and throwned. His heart and dead body of swallow was gone to god.

Students were asked to graphically represent their understanding of the story "THE HAPPY PRINCE" by Oscar Wilde. They used drawings and summarized the story in their own words. They used digital platform too for representing it through smart graphics. This activity focused on enhancing cognitive and creative thinking of the students.

GEOGRAPHY ACTIVITY

In this activity students prepared slides on the topic 'India- Size and Location' where they explained different concepts pertaining to location, mapping and size of India.
