ENGLISH WEEK

As a part of the English Month, a week was dedicated to English activities. The activities were designed around William Blake- a famous poet, artist, illustrator.

The students did presentations of the poems, writing stories on his art work, composing poems on the titles of his poems.

DUSSHERA CELEBRATION

The festival is about the triumph over evil, and the students must imbibe this noble thought. For this purpose children were asked to draw or compose poems on the theme.
