

# **NEWSLETTER OF NURSERY**

## **APRIL 2019-20**

To welcome the new students and also to help them adjust to the school environment, an activity week was planned for the nursery children . The children were involved in various activities like crown and smiley making, horse riding and splash pool.

# RED COLOUR DAY

The tiny tots of Nursery celebrated red colour day on 22 April 2019. All the children came in the red school uniform . The kids performed activities like ear bud printing and colouring in red coloured objects ,followed by a worksheet which helped them to identify and relate to the red coloured objects around them.

# Creativity at its best

The children of nursery class did activities like colour the pictures, tearing and pasting which helped in strengthening their fine motor skills and also the children got the chance to show case their creativity.
