

# EAST POINT SCHOOL

## NEWSLETTER – CLASS III

MAY

# ENGLISH ELOCUTION

*Elocution was conducted for Class 3 students to develop their speaking skills through poem recitation. Class wise competition enabled the students to appreciate the presentation of each poem.*

*Class III C held first position.*

*Great Excuses*

*III- A*

*Oliphaunt*

*III- B*

*The Sound Collector*

*III- C*

*Rainbow Fairies*

*III- D*

# LABOUR DAY

*To inculcate the value of dignity of labour, children of class 3 made thank you cards for the guard, gardener and maid. They really enjoyed interacting with them.*

We made a Thank You card for our gardener as he keeps our school green.

# LEAF ART

*Children collected different shapes of leaves, dried them and made different scenes with the leaves. They really enjoyed the activity and learned about leaves as well.*

We made a beautiful butterfly.

We made a duck.

# ***SOCIAL SCIENCE ACTIVITIES***

I can see all the states on the map.

***Learning through globe and maps made class III very enthusiastic .They learnt about types of maps ,elements of maps, hemisphere, directions , the Equator and located it too.***

Earth has 2 hemispheres north and south hemisphere.

# SOCIAL SCIENCE EXHIBITION

*Children enthusiastically worked for their model making activity on the topic "Early Humans" and developed a social science corner in the class .They added their social science week activities and displayed all projects.*

# THINK GREEN ACTIVITIES

To mark the Biodiversity Day , children made bird feeders with unused material and hanged them in the school campus garden .They learnt about taking care of birds and migratory birds too.

I enjoyed making the bird feeders

# MATHS WEEK

*Students created a model during the math week. This activity helped the children to have a better understanding of solid shapes. Children have made lovely models and enjoyed the activity thoroughly.*

I made 3 D clay models.
