CLASS 1

THE THREE E'S

Grandparents Day – Class 1

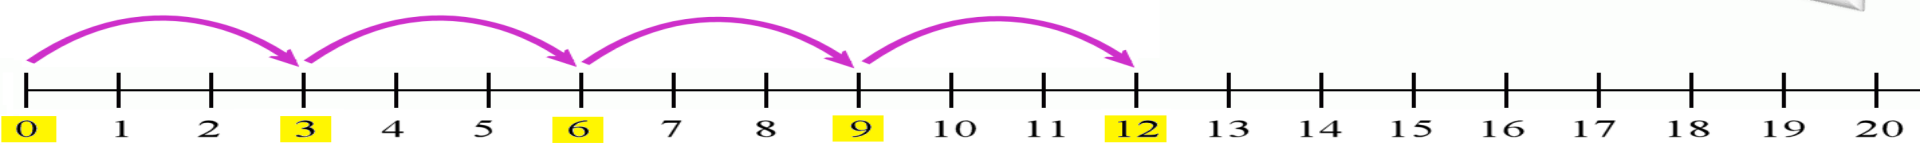

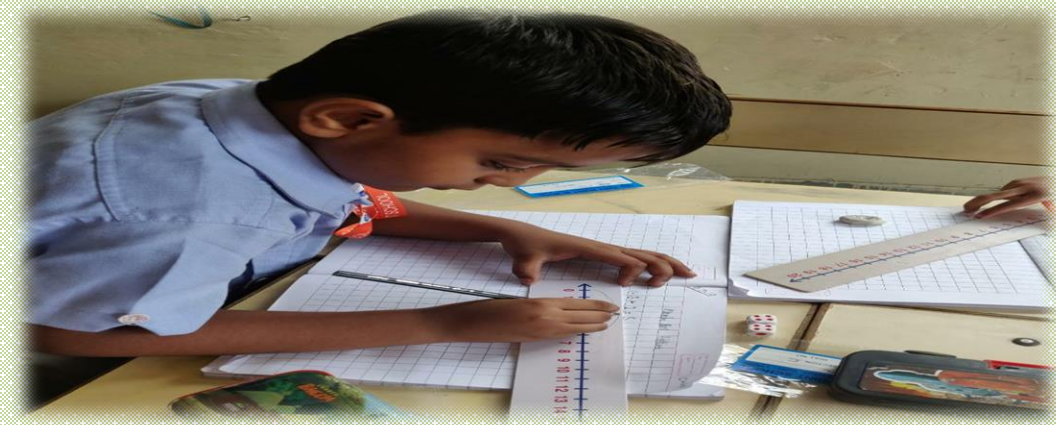

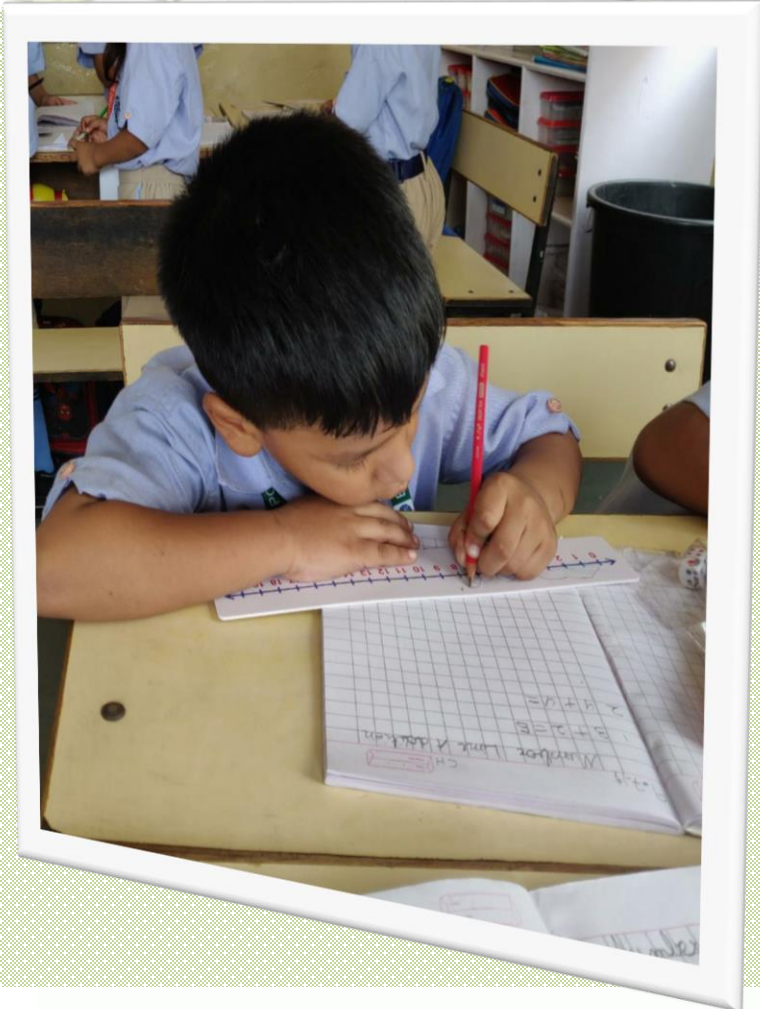

The students of class 1 celebrated the Grand parents day on July 25th, 2019 with great enthusiasm. The celebrations began with a recitation by the students - thanking their grandparents for their love and moved on to a fun packed dance and drama which also included a song and animal march. The grandparents were thoroughly touched by the performance and enjoyed every minute of it.

Learning to think Mathematically with the Number Line

Children are learning effectively with the **number line scale**, Students can develop powerful intuitive strategies for single and double-digit addition and subtraction.

WE ARE
ECO
FRIENDLY.

SAVE TIGERS

Let's protect our tigers- Students discussed about the decreasing number of tigers and ways to protect them .
