# Science Week (5-9 Aug 2019)

## Topic : Fruits & Vegetables

*Our little ones celebrated Science Week with various activities spanning 5 days. They showed high creative skills and participated enthusiastically.*

Day1- Drawing Activity

Day2- Making Fruit Basket

Day3- Clay Activity

Day4- Fruit Chaat Activity

Day5- Show and Tell

# INDEPENDENCE DAY

COLOURING ACTIVITY

The children celebrated Independence Day with enthusiasm. There was a special assembly in which the children performed dances and sang songs. The children brought tricolour food and shared it with their friends. The children took tricolour souvenirs while going home which they had made in their art class. The whole day was filled with patriotism.

FLAG MAKING

TRICOLOUR FOOD

# RAKSHABANDHAN

Rakshabandhan is one of the most endearing way to celebrate bond between brother and sister. To strengthen this bond 'Rakhi Making' activity was done in class Nursery on 14<sup>th</sup> August. It was celebrated with full enthusiasm.

## RAKHI MAKING ACTIVITY

**DANCE**

# Janmashtami (Nursery and KG)

To celebrate the birth of Lord Krishna, the children of KG and Nursery performed a dance-drama. The children came dressed up as krishnas, Radhas and their friends. Beautiful decorations were put up to make the event more colourful and joyous.

**SKIT**

**HEAD GEAR  
MAKING  
ACTIVITY**

# YELLOW COLOUR DAY

**Handprint Activity**

**Finger dip Activity**

Yellow colour day was celebrated by tiny toddlers on 26th August. Children wore yellow colour attire and brought different objects of yellow colour to the class. Children did hand print activity for better understanding of the colour concept.

**Handprint Activity**

# NATIONAL SPORTS DAY

To inculcate the physical activities in the students various activities like Duck walk, Number's Jump, Balance the beam and wall climbing were conducted on the National Sports Day.
