# SCIENCE WEEK

NATURE  
WALK

LEAF  
ART

CLAY  
MODELLING

Science week was held from 5<sup>th</sup> to 9<sup>th</sup> August . Students performed various activities on the topic plants. Children were made aware about various plants through video and after that they went out for nature walk and did leaf art.

The students celebrated the Independence Day by performing on a number of events like song, dance and elocution. They also participated in a quiz based on the theme. They also bought tri-colour food to give a patriotic fervor to the day.

## ART COMPETITION

The students participated in an art competition held on 14<sup>Th</sup> August, where they drew beautiful pictures of their own choice. This competition enhanced their imagination.

# National Sports Day

*Children celebrated National Sports Day with great zeal and enthusiasm on 29<sup>th</sup> August, 2019. They were shown a picture of Major Dhyanchand, in whose memory the day is celebrated. Children also participated in various sports activities.*

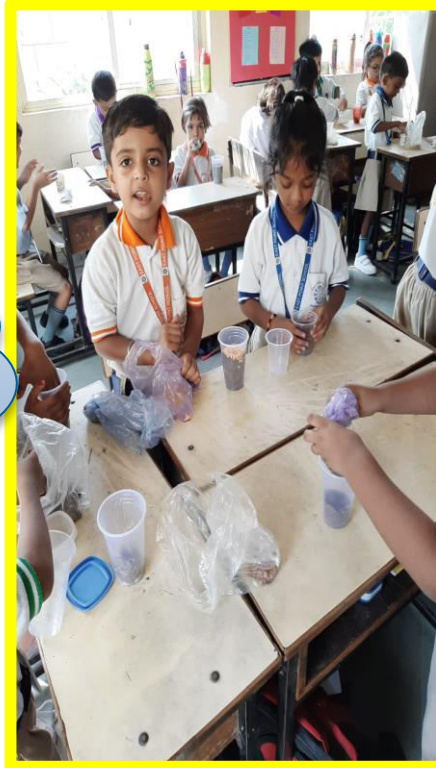

# SEED PLANTERS

Now, we know how to plant a seed.

We will take care of our plants.

**For encouraging the love for sports and physical activities, Faber Castle organized an art competition for the little ones. On the topic The Sport I love.**
