MATHS ACTIVITY ON DIVISION

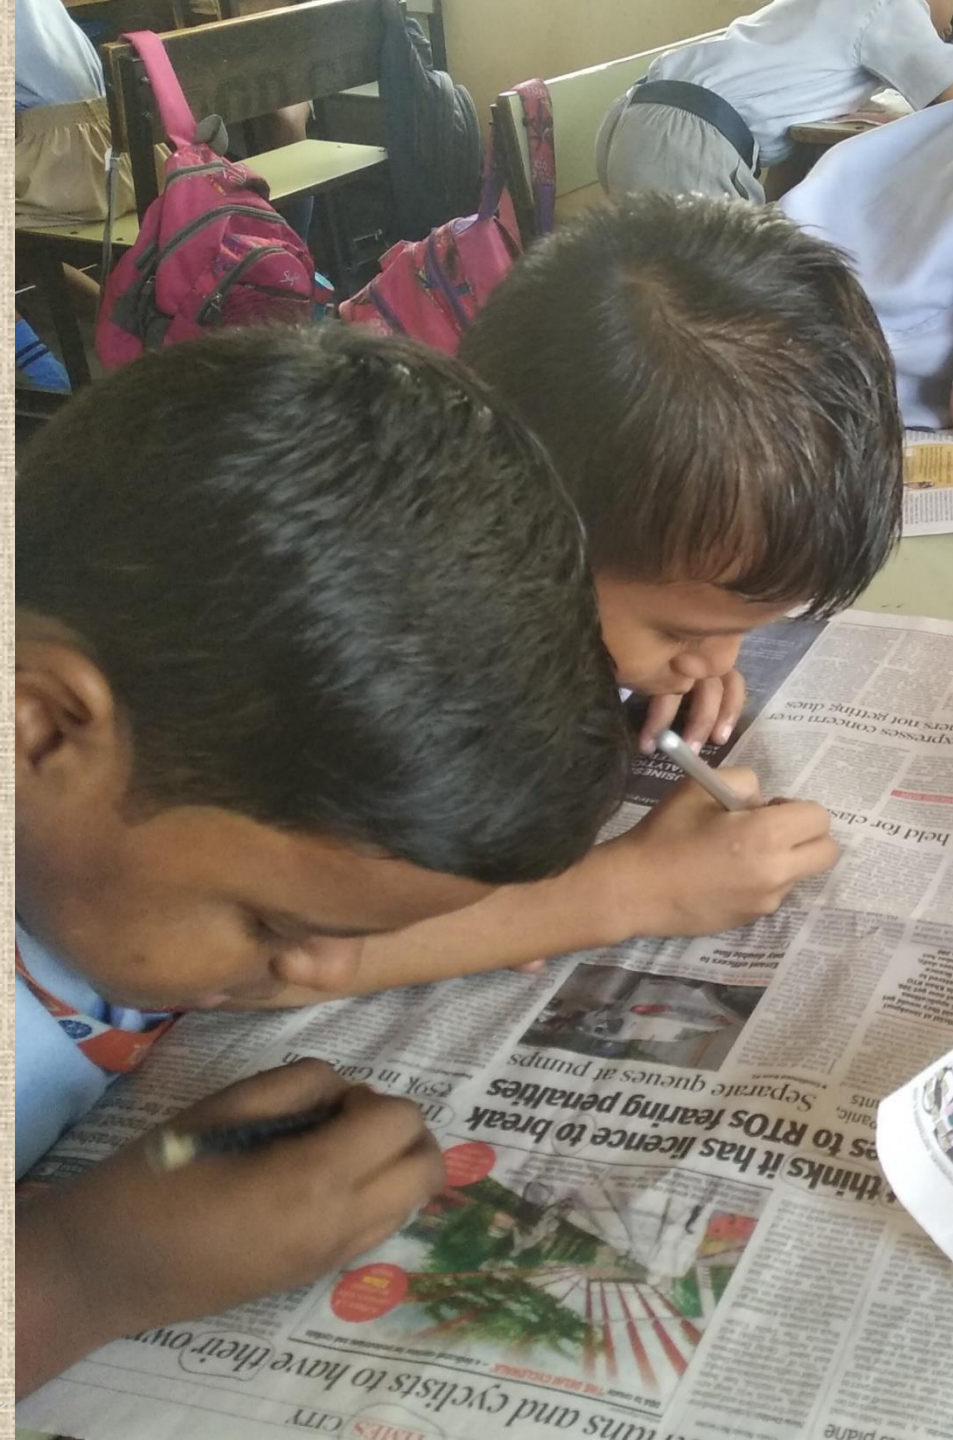

Hands on activities always help children to understand the concept better. Thus, children used rajma seeds to understand division as equal grouping. Later they recorded their observations on the activity sheet.

NEWSPAPER ACTIVITY

It is important to immerse children in a print rich environment. Newspaper is the best resource to provide children the exposure to text media. Children were given newspaper and asked to highlight words starting with a specific letter. This activity helped children to improve their vocabulary and also reading skills.

LET'S PLAY

To develop the spirit of the sportsmanship in the children a cricket match was organized between class 2 and 3 boys. Tug of war was organized for class 2 and 3 girls. Children really enjoyed the match and were very excited about it.

English Week

English week was conducted for the students. They were involved in various activities. The story taken for the week was Rumpelstiltskin. The teacher narrated the story to the students and they were also shown video for the same. They were asked to draw and write few lines on their favourite character and scene from the story. They also spoke about what they learnt from the story.

गतिविधि कार्य

रचनात्मक लेखन

छात्रों ने दिवाली के उपलक्ष में “पटाखों को न कहें” चित्र सहित रचनात्मक लेख लिखा।
विद्यार्थियों को दीपावली पर पटाखे न चलाने के लिए जागरूक किया गया।

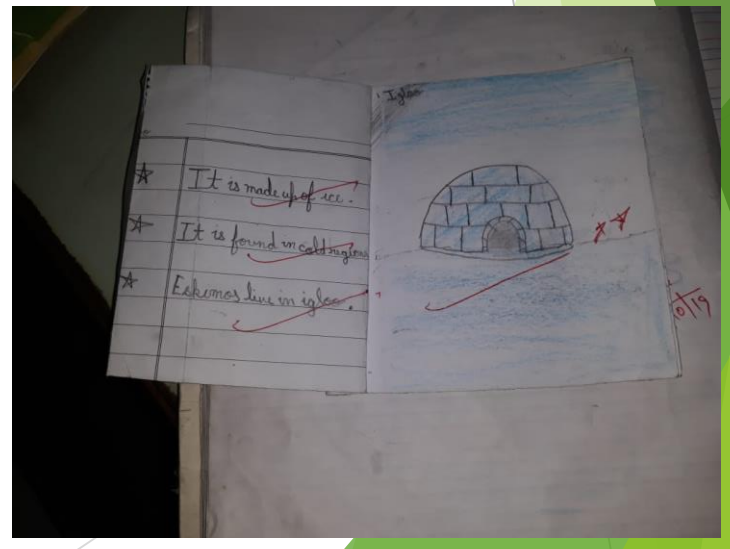

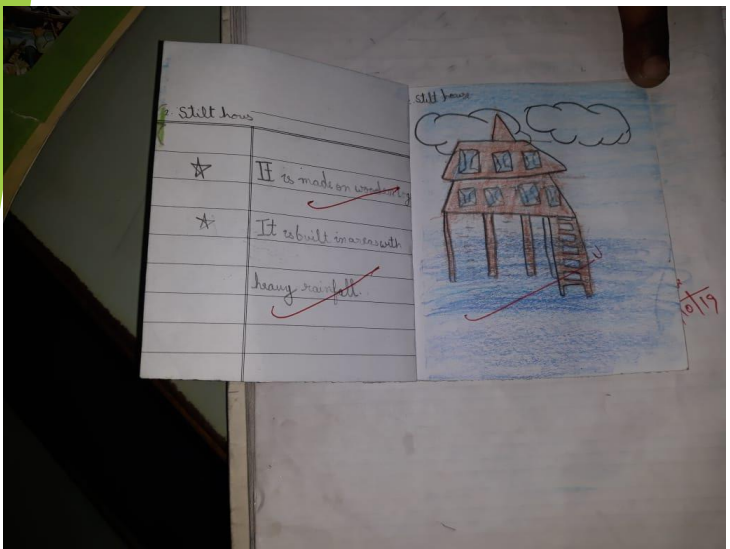

Think Green Activity SAY NO TO CRACKERS

Different types of houses were explained to the students with the help of video. After that booklet making activity on types of houses was done by the students.
