SPORTS DAY

On sports day, students did aerobics. They used different sports equipments, as props, to represent the sports they play in school.

TIME GAME

Children used demo clocks to show the time given on the board. Later they drew clocks and marked the given time.

EVS ACTIVITY

Concept of rotation (day and night) was explained to the students by showing videos. Children were shown the different phases of the moon through models which was followed by a role play.

CHRISTMAS CELEBRATION

Christmas Day celebrations were done by the children wherein they sang carols like 'Rudolf the red nose reindeer' and 'It's magic time' with enthusiasm. They also presented a dance.
