NEWSLETTER For The
Month:- JANUARY
Class:- 1

EX·CEL

EX·PLORE

EX·PERIENCE

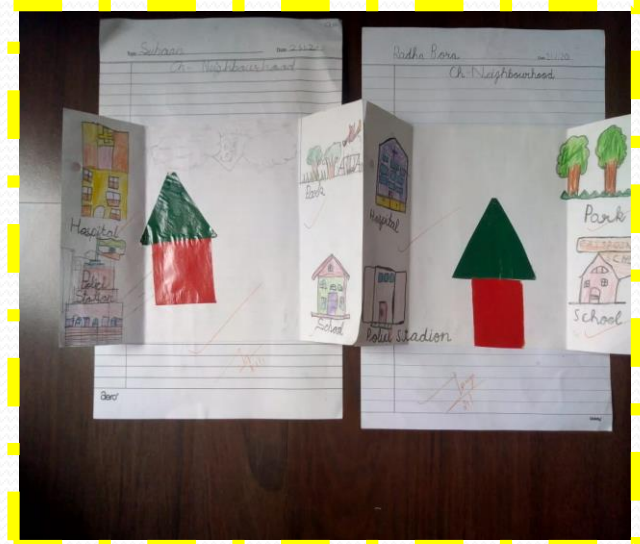

The children of class 1 made a paper folding flower and a scene and spoke a few lines about it. They learnt to be creative and expressive while doing this activity.

KNOW YOUR NEIGHBOURHOOD

An activity was conducted to make the students familiarise with the places and community helpers in their neighbourhood.

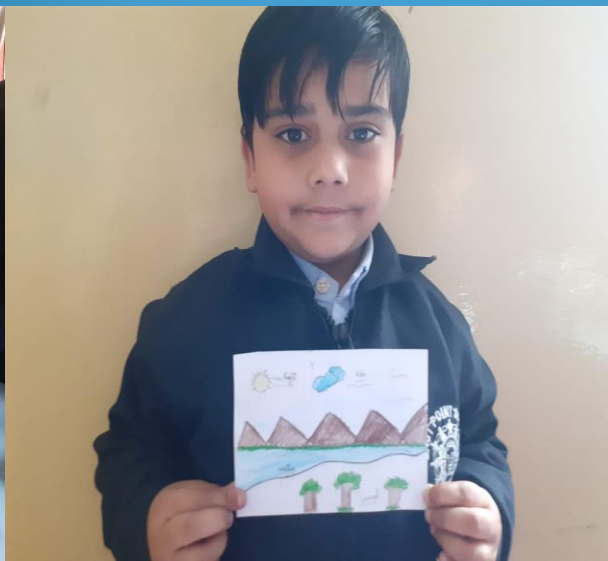

SHAPES

Understanding shapes will enable students to be more in tune to the world around them and see the connections between objects, as well as being able to appreciate artistic works.

Natural Resources

Children were made aware about various natural resources and they drew beautiful illustrations of natural resources during the 'Think Green' period.

On the auspicious occasion of 71st Republic Day, students marked the event by dancing to the tunes of patriotism and singing patriotic songs. They also made tri-coloured badges and coloured the National Flag to understand the importance of every colour.
