# HORSE RIDING

Kindergarten students enjoying themselves outdoors during horse riding activity which offers a great workout for body and mind.

# MATHS ACTIVITIES

Graphic organizers are key for young ones, as they are primarily visual learners. Tinytots have performed various activities related to concept of time, they made models of clock. Subtraction was done using Ganit mala. Children performed enthusiastically and it was fun filled learning for them.

A small skit on 'LITTLE RED RIDING HOOD' was performed by KG children on 28.02.2020. It was a proud moment for them when they were given the graduation certificates.

# SCIENCE EXPERIMENT DAY & NIGHT

An experiment to understand the concept of day and night was conducted in the class to make our children learn that how day and night occurs. Their curious minds and happy faces made it a fun filled learning .

# ART AND CRAFT ACTIVITY

Students of KG did cutting and pasting activity in Art and Craft class. They made different things with coloured glaze papers. It was a fun-learning experience for them.
