Children connected the concept of multiplication and division to their real life.

Now I can find out the cost of many more "Real" juice packs.

Wow! I had fun participating in a discussion with my friends. I am going to do it again.

Wonders of Soil

“Awaken the curiosity within you, as learning by nature is always fun”.

WAKE UP. PRAY. STUDY.
REPEAT

CLASS II

1

As rightly said by E.M. Bounds, "Prayer should not be regarded as a duty which must be performed but rather as a privilege to be enjoyed."

2

In the Class Assembly, children can be seen depicting the values, the theme and the country of the month where they learnt to be better speakers and also to share their ideas effectively.
