EX·PLORE

EX·PERIENCE

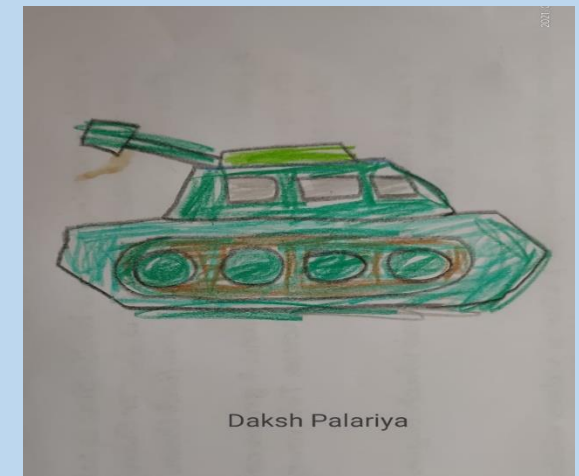

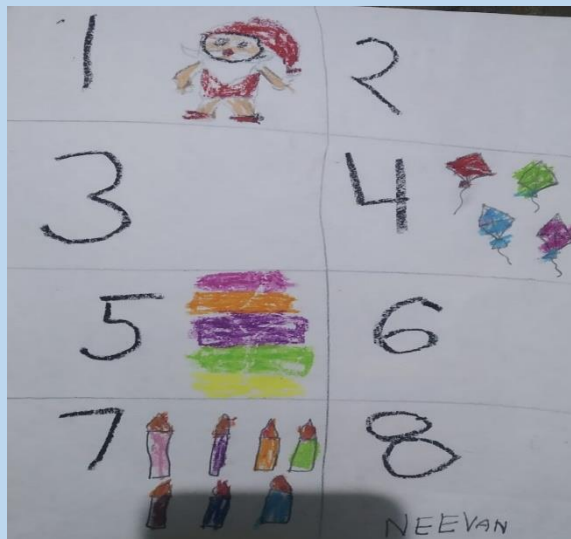

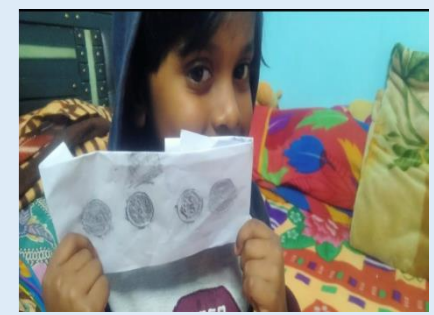

Children are always fond of craft-related activities. Their creativity is undoubtedly the best and limitless. Children participated enthusiastically in art activities and made masks, War Tanks and the India Gate. They also learnt about number concepts with art integration as the theme.

“CRAF-ART”

INDIA is a place where colour is doubly bright.

- Student enjoyed a virtual tour to different historical monuments.
- They did currency tracing activity of Indian rupee coins.
- Children spoke about National symbols , festivals, food & dresses of different states .

EXPERIENTIAL LEARNING

To make learning fun and last forever, students perform various hands-on activities wherein they get a chance to express themselves which in turn boost up their all-round development.

VIRTUAL REPUBLIC DAY ASSEMBLY

- ❖ Children participated in different activities like Speaking on National symbols, Patriotic Dance filled with essence of patriotism and made Tri-Colour sandwiches.
- ❖ Children participated with full enthusiasm and celebrated the day with great zeal and fervour.
- ❖ The session was a full of fun where everyone enjoyed thoroughly.
