

# EAST POINT SCHOOL

**NEWSLETTER**  
**For The**  
**Month:-January 2021**  
**Class:- V**

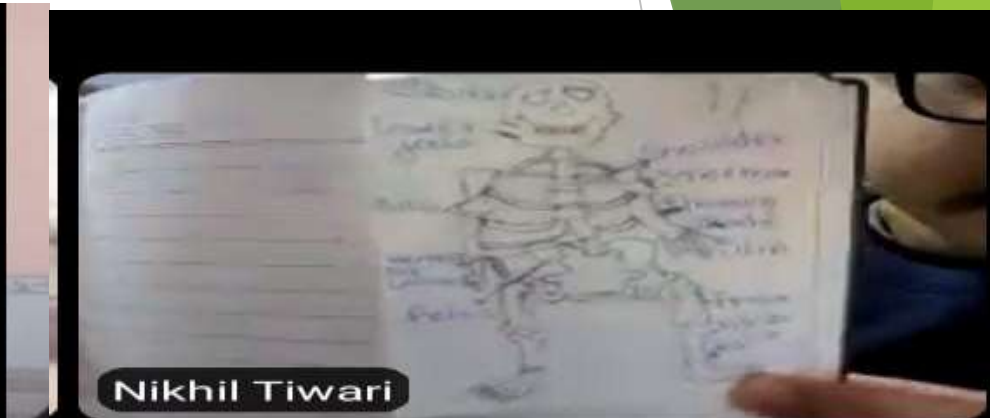

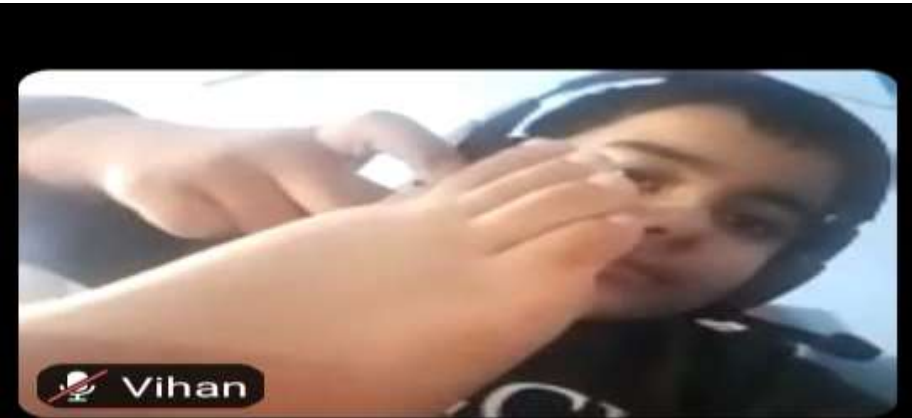

**EX·CEL**

**EX·PERIENCE**

**EX·PLORE**

Students studied skeletal system, types of joints and how it helps in movement of our body through various actions like throwing a ball, yoga postures etc.

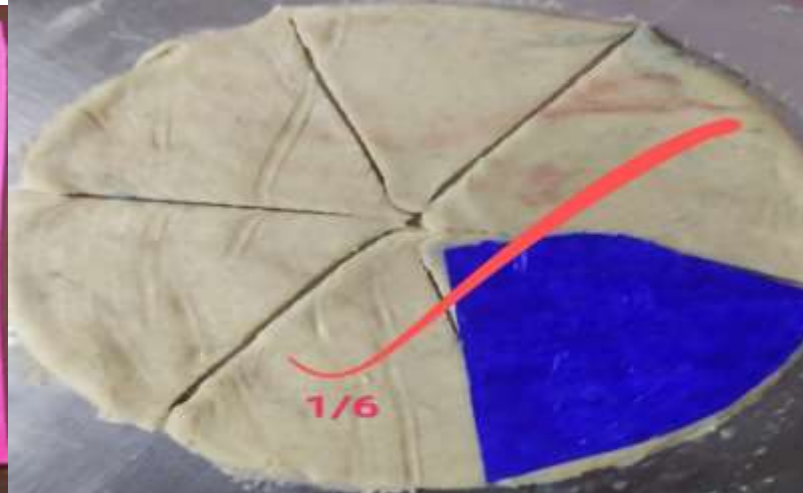

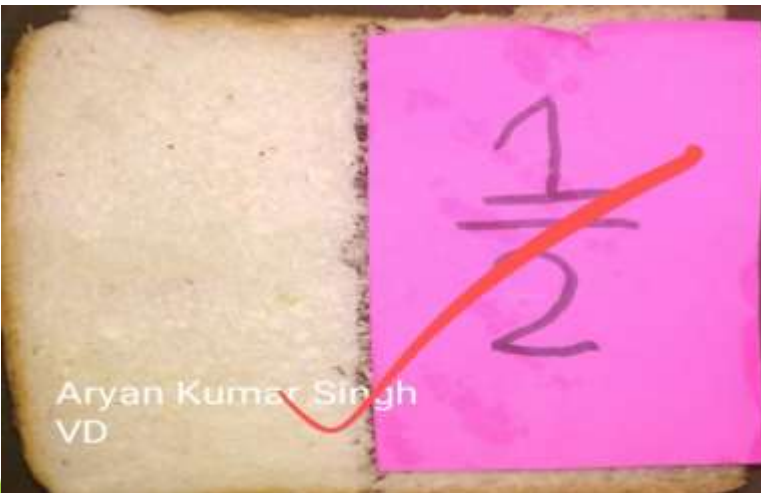

Role Play  
Activity

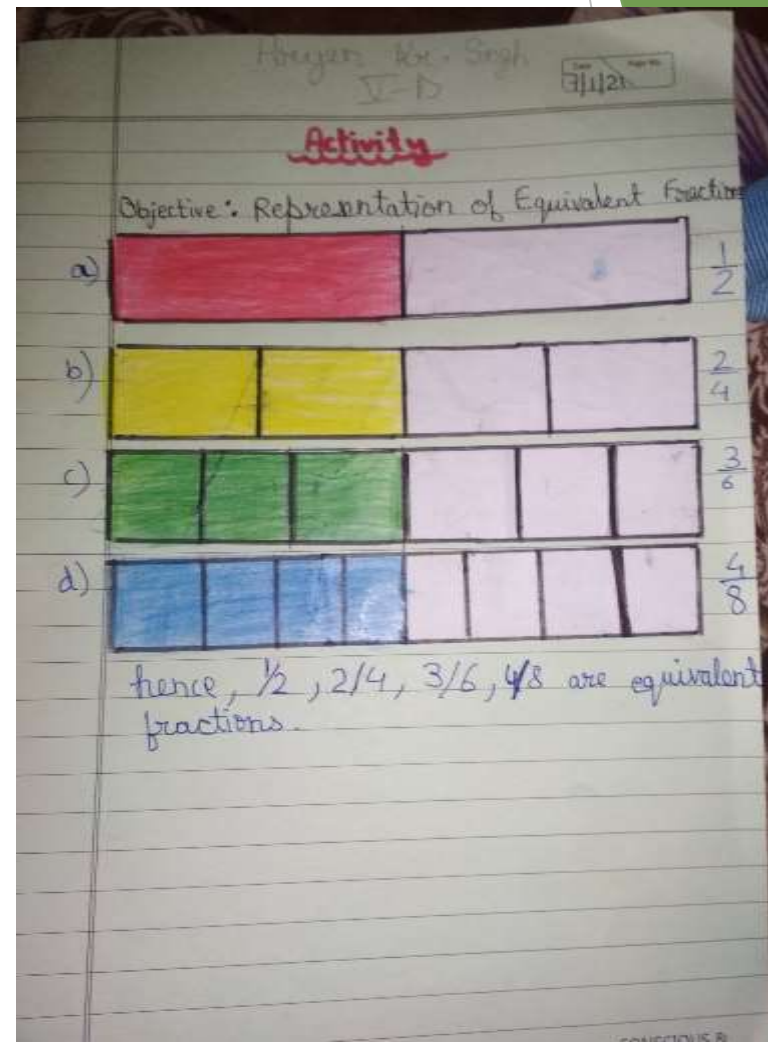

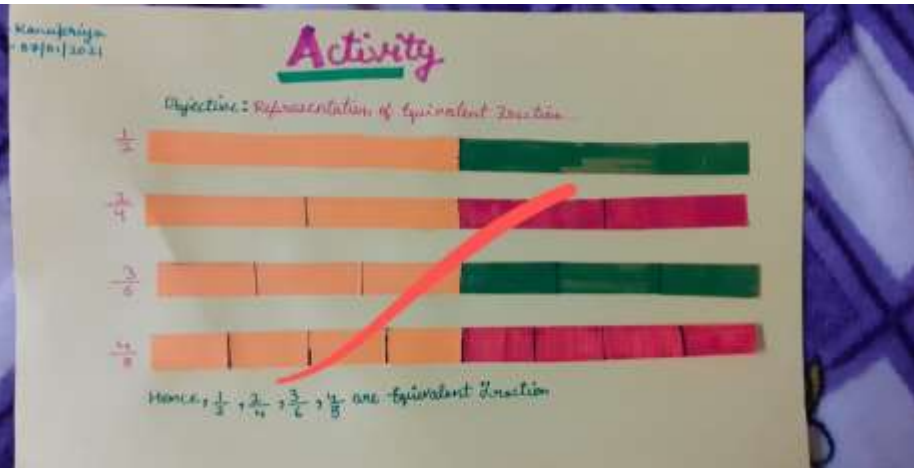

# The Wizard of Oz

**Fun With Fractions:** Students represented the fractions using wheat dough, bread or objects from their surroundings.

# Fun With Fractions:

Students participated actively to represent Equivalent fractions by paper folding method.

इस गतिविधि में बच्चों द्वारा राजस्थान की झाँकी तैयार करवाई गई । छात्रों ने इसे प्रस्तुत करते हुए उसके बारे में भी जानकारी दी ।

# संस्कृत

हेमन्त ऋतु: {सर्दी के मौसम} में उपयोग किये जाने वाली वस्तुओं पर छात्रों द्वारा मनमोहक परियोजना कार्य किया गया।

Think green- integrated topic of the month desertification :

- 1) The children enjoyed learning about how human activities lead to the process of desertification.
- 2) The impact of desertification on our environment
- 3) what should be done to minimise this process.

## Desertification

Q-1) What is desertification?

(Ans) When a green productive area is converted into a desert due to human activities it is called desertification.

6. Climate change
7. Natural disaster

Remember this:

Whoever **sows sparingly**  
will also **reap sparingly**,  
and whoever **sows generously**  
will also **reap generously**.

—2 Corinthians 9:6

[cultivate]  
*generosity*
